

DEPOSIT AND SALES CONTRACT

The following contract is between Rusty Meadow Goldendoodles and the buyer for the purchase of a goldendoodle puppy.

RESERVING A PUPPY - DEPOSIT — Once a buyer has decided to purchase a puppy, a deposit of \$500 is required to hold the selected puppy.

PAYMENT — When the puppy is 8 weeks of age, the balance of the payment for the price of the puppy is due upon pickup. If the puppy is being shipped to the buyer, the balance, including shipping, must be paid in full before the puppy is released for shipping. Upon receiving the balance of the price of the puppy, Rusty Meadow Goldendoodles will release the puppy to the new owner.

DEPOSIT REFUND POLICY — Puppy deposits are non-refundable. If the buyer is unable to move forward with the purchase of a puppy from an existing litter, Rusty Meadow Goldendoodles will be released from the obligation to hold this puppy for you and may sell this puppy to another customer. If a buyer backs out on purchasing a puppy after the puppy is born, the deposit is non-transferrable to a future litter. If you are making a puppy deposit for a puppy from an anticipated litter, and the anticipated puppy becomes unavailable, Rusty Meadow Goldendoodles will refund your entire deposit or offer the option of replacing this puppy with another puppy from a current or future litter. By placing a deposit, the buyer agrees to the terms of this contract.

TWO YEAR HEALTH GUARANTEE - PA LEMON LAW — We guarantee this puppy, to the best of our knowledge, to be healthy. The puppy has had a complete physical exam by our vet, received the first puppy vaccination and has been dewormed. The buyer will be responsible for obtaining, within 10 days of acquiring the puppy, an evaluation by a veterinarian. If the puppy is not examined within the first 10 days of ownership, the health guarantee becomes void. Should the puppy be diagnosed with a congenital medical disorder that will cause certain premature death, the seller will, upon provision of veterinary reports, provide the buyer with the option of returning the puppy and replacing the puppy with one of equal value. Rusty Meadow Goldendoodles is not liable for long-term medical care, treatment or extraordinary measures if these are elected by the buyer. The seller is not responsible for behavior problems, improper training, personal injury or property damage caused by the puppy. The 2-year health guarantee is contingent upon the buyer providing TLC dog food for the puppy's diet. If the buyer chooses another brand of puppy food our health guarantee is reduced to the PA state minimum of 30 days. The buyer agrees that, if for any reason they are unable to keep the puppy, they will return the puppy to the seller at no charge. Rusty Meadow Goldendoodles will not reimburse the buyer for the purchase price if the buyer is unable to keep the puppy. The buyer may agree to have the puppy placed in a new home if approved by the seller. Under no circumstances is the puppy to be transferred to another owner without the consent of the seller. The purchaser agrees that they will love, care for and otherwise be responsible for this Goldendoodle puppy that is being transferred to their care. The seller will provide all records when the puppy is picked up.
